**Subject:** 2025 Molalla Recycled Water Report

Hi Pat,

Attached is the City of Molalla's Recycled Water Report for 2025 as required in Table B1 in our NPDES Permit# 101514. I could not find a file# for our new permit that went into effect December 1, 2025. So, in that box I put our old file# and the RID# that is in our current permit.
