

Minutes of the Molalla City Council Meeting

Molalla Civic Center
315 Kennel Ave., Molalla, OR 97038
September 27, 2023

CALL TO ORDER

The Molalla City Council Meeting of September 27, 2023 was called to order by Mayor Scott Keyser at 7:00pm.

COUNCIL ATTENDANCE

Present: Mayor Scott Keyser, Council President Jody Newland, Councilor Leota Childress, Councilor Terry Shankle, Councilor Crystal Robles, Councilor Eric Vermillion, and Councilor RaeLynn Botsford.

STAFF IN ATTENDANCE

Dan Huff, City Manager; Christie Teets, City Recorder; Mac Corthell, Community Development Director; Cindy Chauran; Finance Director.

APPROVAL OF AGENDA

Approved as presented.

CONSENT AGENDA

- A. Personnel Policy Handbook Update – Travel per Diem

A motion was made by Councilor Botsford to approve the Consent Agenda, seconded by Councilor Vermillion. Vote passed 7-0, with all Councilors voting Aye.

PRESENTATIONS, PROCLAMATIONS, CEREMONIES

- A. Parks CPC Appointment – Desiree Wymer

Ms. Wymer is a lifelong resident of Molalla and is looking forward to giving back to her community through volunteering with the Parks Committee.

A motion was made by Councilor Robles to appoint Ms. Wymer to the Parks CPC, seconded by Councilor Vermillion. Vote passed 7-0, with all Councilors voting Aye.

PUBLIC COMMENT

Char Pennie, Molalla resident, wanted to express her gratitude to the Molalla Police Department and encouraged all Molalla residents to vote Yes on Measure #3-602. This measure is for a Police Bond, which funds will go to building a new Police Department. Ms. Pennie cannot imagine a community where police are not present.

PUBLIC HEARINGS

- A. Ordinance No. 2023-08: Authorizing the Issuance of Wastewater Revenue Bonds to Finance Improvements to the Wastewater System

Assistant City Manager Corthell provided the staff report for the proposed Ordinance. Mayor Keyser opened the Public Hearing on Ordinance No. 2023-08 at 7:08pm. There were no audience members wishing to speak during the Public Hearing, therefore Mayor Keyser closed the Hearing at 7:09pm.

ORDINANCES AND RESOLUTIONS

- A. Resolution No. 2023-29: USDA Rural Development Loan

Mr. Corthell asked Council to refer to page 10 in the Council packet, as the details in the report define the mechanics of the project. This resolution is another step in applying for funding of the Wastewater Treatment Plant.

A motion was made by Council President Newland to approve Resolution No. 2023-29, a USDA Rural Development Loan, seconded by Councilor Shankle. Vote passed 7-0, with all Councilors voting Aye.

- B. Resolution No. 2023-30: To Authorize a Clean Water State Revolving Fund (CWSRF) Loan from the Oregon Department of Environmental Quality (DEQ) to Finance the Costs of the Wastewater Treatment Plan Upgrade – Project #19-10

Mr. Corthell explained that this document is part of the process in applying for wastewater treatment plant funding, as well. The bid process is starting soon, and staff is trying to stay within the proper timeline for the application process. Mr. Corthell thanked funding partners at DEQ for suggesting this option.

A motion was made by Council President Newland to approve Resolution No. 2023-30 by title only, seconded by Councilor Robles. Vote passed 7-0, with all Councilors voting Aye.

- C. Ordinance No. 2023-08: Authorizing the Issuance of Wastewater Revenue Bonds to Finance Improvements to the Wastewater System

Mr. Corthell reiterated that this is the security needed for the USDA Loan, showing support from City Council for the Wastewater Treatment Plant project.

A motion was made by Council President Newland to hold the First Reading of Ordinance No. 2023-08, Authorizing the Issuance of Wastewater Revenue Bonds to Finance Improvements to the Wastewater System, seconded by Councilor Vermillion. Vote passed 7-0. Councilors voting Aye: Councilor Vermillion, Councilor Shankle, Councilor Childress, Council President Newland, Councilor Robles, Councilor Botsford, and Mayor Keyser.

Due to the unanimous vote, a motion was made to hold the second reading and adoption of the Ordinance.

A motion was made by Councilor Robles to hold the Second Reading and Adoption of Ordinance No. 2023-08, Authorizing the Issuance of Wastewater Revenue Bonds to Finance Improvements to the Wastewater System, seconded by Councilor Vermillion. Vote passed 7-0. Councilors voting Aye: Councilor Vermillion, Councilor Shankle, Councilor Childress, Council President Newland, Councilor Robles, Councilor Botsford, and Mayor Keyser.

- D. Resolution No. 2023-31: Approving Astound Broadband Rate Increase as Change in Franchise Agreement

City Manager Huff explained that the process for Franchise Agreements is to present or notify rate increases to City Council members. The rate increase notification is provided in the Council packet. The franchise agreement for Astound Broadband expires in February 2024, which would be the time to amend the agreement if Council desired.

A motion was made by Councilor Bostford to approve Resolution No. 2023-31, Approving Aaround Broadband Rate Increase, seconded by Councilor Robles. Vote passed 7-0, with all Councilors voting Aye.

GENERAL BUSINESS

- A. Coalition to Fix and Improve Measure 110

Mr. Huff shared with Council an announcement that was made to Police Chief's of the Metro Area recently regarding the "Coalition to Fix and Improve Measure 110". Staff provided the press release in the Council packet and encouraged people to visit the website.

- B. Priority List Discussion

Mr. Huff provided an update of projects that staff have been working on, and still need to be completed, related to Council Goals set in January. Main items include the Street Naming Policy and Park Naming Policy. Council President Newland asked if there was enough time left in the year to complete these tasks. City Manager Huff stated that staff would provide some Park Naming Policies from other cities to use as examples. Asst. City Manager Corthell explained that a Street Naming Policy is more legalistic and has more rules set by the State.

Councilor Botsford would like to see the City focus on an Industrial Park, that would create jobs for our community.

City Recorder Teets reminded Council that only four meetings were remaining for this calendar year. Two meetings in October and one each in November and December. The City Council and Planning Commission will have a joint meeting on Wednesday, November 15, 2023.

C. Distinguished Budget Award

Mr. Huff shared that the City of Molalla has been acknowledged with the Distinguished Budget Award for 2023-2024. The City met all expectation and requirements of the Award. Finance Director Chauran explained that the award is due to the hard work of the managers of each department with the programs that the Finance Department has in place.

STAFF COMMUNICATION

- City Manager Huff shared with Council that a few staff members took an Economic Development Tour last week with members of SEDCOR. They manage the Mid-Willamette Valley and could create some opportunities for Molalla. Molalla has no true region contact. Although Molalla will not be allowed to become a member of these organizations, SEDCOR and Mid Willamette Valley Council of Government (MWVCOG) are becoming resources.
- City Recorder Teets had no report.
- Assistant City Manager Corthell presented the 3rd Quarter Report for the Community Development Department. The report is included in these meeting minutes.
- Finance Director Chauran presented a Travel Expense Advance or Reimbursement Form. She explained that this will be much simpler than past practice, as Councilors will be given the per diem ahead of time opposed to being reimbursed. City Manager Huff explained that items such as paying for parking will still need to be submitted for reimbursement.

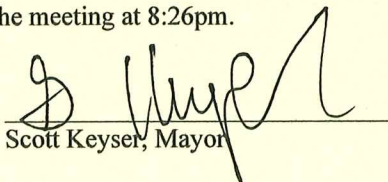

COUNCIL COMMUNICATION

- Councilor Vermillion announced upcoming MRSD Board meeting dates. He also thanked everyone that participated in the Grand Opening of the Pickleball Court.
- Councilor Shankle congratulated Finance Director Chauran on the Budget Award and thanked Councilor Robles for her hard work in drawing the community together.
- Councilor Childress had no report.
- Council President Newland encouraged people to use the Pickleball Court day and night. The lights stay on at the court until 9:00pm. She announced that the next Parks CPC meeting will be held on Monday, October 2, 2023. The meeting will be held at 5:30pm at Molalla City Hall.
- Councilor Robles thanked everyone that participated in the Pickleball Grand Opening. She encouraged people to play even when it is raining, as the court is not slippery. Councilor Robles announced the next meeting at Plaza Los Robles will be held on Tuesday, October 3, 2023 at 6pm. Mr. Corthell shared that all forms on the website have been translated into Spanish. Councilor Robles is sharing this with the Hispanic community, along with showing them how to translate the pages on the city website into Spanish.
- Councilor Botsford shared that it is Cookie Dough Season! A major fundraiser for the Molalla Middle School is selling cookie dough. She encouraged people to support the Middle School by making a purchase. Councilor Botsford also announced that if anyone would like a "Vote Yes for the Police Department" yard sign, to contact her.
- Mayor Keyser noticed a growing trend in the city of negativity and complaining about homeless people, the roundabout, the police bond, and so on. He stated that there have been no accidents reported since the roundabout has been in place. Mayor Keyser encouraged people to look around and see the great things going on in the community and find some positivity. He also reminded everyone that the next City Council will be held on Tuesday, October 10, 2023 as all Councilors will be attending the LOC Conference in Eugene the following day.

LONG-TERM PLANNING

21-16 Urban Growth Boundary

- **Introduction:** DLCD Formally Approved Molalla to use the Sequential UGB Process on March 28, 2023.
 - Molalla is the first in the state to use the sequential process.
 - The Sequential process mitigates risk by considering each portion of the UGB studies and expansion separately, thus limiting challenges to the task at hand without delegitimizing the entire process.
- **Complete:**
 - Sequential UGB election and concurrence from County and DLCD.
 - Sequential UGB workplan development and acceptance from DLCD.
 - Housing Needs Analysis & Buildable Lands Inventory (HNA/BLI) – complete and adopted.
- **Next Steps:**

- Employment Opportunities Analysis & Buildable Lands Inventory (EOA/BLI)
- **Grants:**
 - Staff applied for and were awarded grant to fund HNA/BLI
 - Staff applied for and were awarded grant to fund Efficiency Measures & Background Studies
 - Staff applied for and were awarded grant to fund Housing Production Strategies (a separate but related study)
 - Staff is applying for grant to fund EOA/BLI

Current Long-Term Planning Initiatives:

- **22-32 Parks Master Plan** – Kickoff meeting with City Staff and Contractor, Cameron McCarthy Landscape Architecture & Planning will be held 9/28/23! This meeting will focus on the development of a public engagement process and overall work plan. Stay tuned for a lot more on this soon.
- **22-31 Stormwater Master Plan** – Kickoff meeting was held 9/6/23! City Staff and Consultant, Keller Associates, are in the “data collection and review” phase of the project.
- **23-02 Emergency Operations Plan** – The City Council will receive an update in regards to this planning process on 10/10/23 at 6pm during the City Council Work Session.
- **23-02 National Hazard Mitigation Plan** – The City’s portion of the plan has been submitted to Clackamas County and no feedback was received. Next, the County Plan (that includes the plans of all the Cities in the County) will be submitted to Oregon Emergency Management for review and comment. At that point, the City will have the chance to make any final changes based on feedback, and the plan would be adopted circa April, 2024.

Notably, the NHMP has been developed in close coordination with the Capital Improvement Plan (CIP), ensuring that potential local, state, federal grants, and Building Resilient Infrastructure and Communities (BRIC) funds opportunities are thoroughly explored.

CODE COMPLIANCE

Code Compliance:

- Officer Murphy continues to make great progress clearing the backlog of cases, engaging community members, and forging new partnerships!

Code Case Statistics:

<u>7/1/23 – 8/21/23</u>	<u>7/1/23 – 8/21/23</u>
<ul style="list-style-type: none"> ● New Complaints - 40 ● Current Open Cases – 57 	<ul style="list-style-type: none"> ● Cases Closed – 47 <ul style="list-style-type: none"> ○ No Violation – 10 ○ Compliance – 29 ○ Referred - Other Agency – 8

Code Abatement Support Services:

- 1. Ant Farm Youth clear property of elderly homeowner free of charge!**

- 2. Ant Farm Youth Assist Molalla Code Compliance and Police with Homeless Camp Cleanup!**

There is a new service in town for anyone who cannot clean up their code violation **due to age, infirmity, or disability**. The **Ant Farm** is a non-profit that serves at-risk youth providing them with opportunities for internships, employment, and a full array of services aimed at helping them succeed as they move into adulthood.

Paid services are also available at a fraction of the cost compared to most landscape and trash haul away services. If you are interested in these services on a paid or unpaid basis, please contact Denise at Molalla Ant Farm: denises@antfarmyouthservices.com or call (503) 668-7962.

ECONOMIC DEVELOPMENT

Completed Projects:

- 2022 Enterprise Zone Boundary Expansion (see map ←)
- 2022 Wayfinding Kiosks & Map
- 2022 Destination Ready Grant (Kiosks)
- 2022 Kiosk Art Contest
- 2022 Travel Oregon Destination Assessment

Travel Oregon Destination Ready Action Project:

- Don't forget to pick up a Molalla Area Recreation Map at City Hall or the Civic Center!

-Thank you to **Mt. Hood Territory (Clack Co Tourism)** who applied for and administered this Destination Ready process on behalf of the city.

-Thank you to **Travel Oregon** who funded the Destination Ready grant and has been a major partner in providing consultants, and staff to bring this project home.

Economic Development Web Page Update!

- Completion of the Enterprise Zone Expansion triggered the next phase in the City's Economic Development program evolution... a valuable, viable web presence!
 - However, as the City's website transitions between Muni-Code and Civic Plus due to a company buyout – the website process cannot begin.

Wastewater Treatment Plant Report

By: WWTP Manager, Seth Kelly

The Wastewater Treatment Plant Received 14.680 million gallons of raw sewage in August and 12.407 million gallons so far in the month of September. Meanwhile we were able to reuse, and land apply 20.718 million gallons in August and another 11.115 million gallons so far in September. The Wastewater Treatment Plant staff have been able to keep a good balance of water in and water out. Therefore, the ponds are in a good position for shutting down the plant and preparing for Winter Discharge. We currently expect to seize summer irrigation in the first half of October. We Will be able to begin Winter discharge on November 1st as long as all conditions of our permit are meet. The WWTP staff will be ready to go once mother nature allows.

The WWTP staff has begun working on rebuilding one of its four media filters. This will help ensure compliance even with high winter flow. This was important because the filter was performing at about half capacity. But this will help ensure the current Wastewater Treatment Plant can perform well enough to get through the New Wastewater Treatment Plant build and makes sure that the plant can handle the needs for filtering as we get the Lagoon lined and converted into an Effluent Storage Pond.

The Wastewater Treatment team had a new operator position open and we will soon have our new employee starting. We are excited to have Amy join the team as a long time community member looking to give back to her community.

Water Treatment Plant Report

By: WTP Manager, Katie Niece

Water Treatment Plant

Conservation

The City of Molalla would like to remind its customers of the importance of conserving water. During the summer months, water use approximately doubles because of outdoor use. Conserving water by limiting and using it efficiently helps ensure we have enough water for all our different uses. Most importantly, reducing the amount of water we use helps the city to maintain fire protection during these high-water use months.

Using water wisely, not just during the summer months, but all year round can help the city to manage its resources, save you money, and preserve the life of your Water Treatment Plant. For tips on how to conserve water, please visit the City's website at www.cityofmolalla.com

Production

For the month of August, the City of Molalla treated a total of 50 million gallons of water with a 1.6 million gallon daily average. About a 6% increase in water production from this time last year.

Water Production (gallons)		
	August 2022	August 2023
Total Treated:	47,356,000	50,369,000
Daily Average:	1,527,613	1,624,806
Maximum Day:	1,903,000	2,037,000
Minimum Day:	1,109,000	995,000

Preventative Maintenance

This month the crew has been working on prepping and painting the piping of the filter system to prevent pipe corrosion and preserve the life of the treatment plants infrastructure.

Staff have been working to inspect or replace the screens on the Reservoir hatches.

Operations & Regulatory Compliance

Jeffrey McCrum sampling for 3rd Quarter Volatile Organic Compounds (VOC's) & Disinfection by Products (DBP's). These samples are part of our routine quarterly sampling requirements set forth by the Oregon Health Authority. The latest results for VOC's were all non-detect (ND).

Disinfection by products are formed when chlorine disinfectant combines with organics in the water. The city was recently granted the Reduced Monitoring Plan by the state for having consistently low levels below the Maximum Contaminant Level (MCL).

Staff drained/inspected and cleaned the filter systems adsorption clarifier and filter media from the summer months heavy demand.
