If the employee, upon mutual agreement with their manager, chooses to flex the hours the city required them to work beyond eight (8) hours in one day, overtime will not be earned.

Section 2: Overtime shall be compensated for at the rate of time and one-half the employee's applicable hourly rate (which includes all pay as per FLSA rules) at the time the hours were worked. For sworn employees, in the calculation of overtime, daily overtime will not be recalculated as weekly overtime.

Section 4: Payment for Overtime: If an employee is paid for accrued compensatory time, payment will be at the regular rate earned at the time the employee receives the payment. Section 5: Assignment of Overtime Work: Where more than one employee is working and there is a need for extra duty as a continuation of that shift, the most senior qualified employee working that shift shall be offered the extra duty, and if refused, then the junior qualified employee(s) working shall be offered the extra duty in the order of seniority. If the junior qualified employee(s) working that shift turns down the extra duty or if no qualified employee is working that shift, the Chief may then assign the duty at his discretion.

This provision shall not apply in situations where the extra duty represents a continuation of an employee-generated task already underway at the end of a shift. In those situations, the employee engaged in the task when the shift ends, if qualified shall continue the task. All regular employees (with the exception of those who have already worked overtime that day) shall be offered overtime on other than multiple employee shifts on a seniority basis. Part-time employees can adjust schedule to attend or be paid at straight time.

Section 2: Appearance cancellations: An employee shall be considered called back to duty for the purposes of this article if the employee is not notified of a court cancellation at least twelve (12) hours in advance of the scheduled appearance if notification is by placing of such notice in the employee's message slot at the department. ARTICLE 24- HEALTH AND WELFARE

- Section 1: The City shall continue to provide eligible employees with medical-hospital, dental and vision insurance coverage as reasonably comparable as possible, and life insurance. The City shall pay 95% of the cost of the premiums and employees shall pay 5% of the cost of the premiums.

For the duration of this Agreement, insurance coverage will be contracted for under the Oregon Teamsters Employers Trust (OTET) as long as OTET allows the union represented employees under their benefit program. The current plan selected under the Employers Trust is Medical Plan GW with Health Reimbursement Arrangement.

If the Trust terminates its agreement with the City, the City and the CCPOA will enter into negotiations over the selection of a successor insurance carrier and plan.

Pursuant to an MOU between the City and the CCPOA on April 1, 2006, the City established an HRA on behalf of every member of the bargaining unit. The HRA was established in such a manner as to be fully compliant with all rules and regulation of the Internal Revenue Service with respect to these types of fund arrangement. The City shall cause \$50 per pay period (\$100 per month) to be deducted and transferred from the employee's gross (pre-tax) salary to the employee's HRA account.

Thereafter the value of the difference between the employee's regular net pay and the workers' compensation payments shall be deducted from the employee's accrued sick leave, compensatory time and/or vacation time, in that order. During the period time an employee is off work due to a compensable illness or injury, the employee shall continue to accrue sick leave, vacation, and holiday time.

Section 2: Interview Guidelines: The following interview safeguards are adopted:

The city will not reduce the compensation specified in this agreement because of budgetary limitations. The City agrees to include in its budget request amounts sufficient to fund the compensation provided in this agreement. In the event that the City does not receive the required voter approval needed to fund the annual budget, the parties agree that layoff and/or a cutback of services will result. However, the parties agree to meet to seek possible alternatives to layoff and/or cutback of services. These discussions shall not constitute a formal reopening of this Agreement.

Participation in the initial timed ORPAT test for the physical fitness incentive will be a scheduled training and conducted during on-duty time.

Employees who are unable to participate in the scheduled ORPAT test due to a reasonable conflict must submit a written request to the Chief of Police or their designee prior to the training date requesting authorization for an excused absence. The Chief of Police or their designee will schedule a second test date within sixty (60) days for authorized employees to

participate in the ORPAT course on their own personal time. The date and location of the second ORPAT test will be at the discretion of the Chief of Police or their designee. Additional accommodations and scheduling adjustments may be made for sworn employees on medical or workers compensation leave, in accordance with the law.

The minimum standard for passing will be the time established as passing by DPSST for an Entry Level Police Officer. Participation in the ORPAT testing is mandatory to complete, however, completing it within a passing time is not mandatory and employees will not be subject to discipline, or deemed “physically unfit for duty” for receiving a non-passing score.

If they pass it a third consecutive year, they receive an additional \$50 for a total of \$350 and so on. If an employee should fail in passing the test, they would not receive any financial incentives for that year and their next passing test would go back to the \$250 starting mark.

Non-sworn Association members will be allowed to participate on a voluntary basis. In the event that the non-sworn employee is able to pass the ORPAT testing, they will receive the same financial incentives as above. Non-sworn employees will not be subject to discipline or deemed “physically unfit for duty” for receiving a non-passing score.
