Andy, thank you for checking in with us.

This attached letter was sent by snail mail and went out last week.

If you have any questions, please do not hesitate to touch base with us.

Sincerely,

Tim Ruby

Subject: Predesign review

Mike/Tim, I've been asked to check in with you on when you might have official review for us on the Predesign Report submitted in December. The Engineer had six weeks scheduled on the critical path for that review since that's what the MAO documents say Molalla should expect. Could you let me know if there is anything more you need? I realize that timeline is aggressive.

Thanks very much!

Andy Peters
City of Molalla
