Other Information*

Molalla Municipal Code 13.04.070 requires a written application for water service. All applications shall include signature of person/persons responsible for the bill at the requested address, a current address where all bills shall be sent, and additional data to secure any accrued water/sewer debts.

Molalla Municipal Codes 13.04.200 and 13.08.360 require a deposit and establishment of credit. This deposit shall not be applied to water/sewer bills as payment. The deposit is refundable upon termination of service and can be applied at that time or after 1 year of current monthly payments.

Molalla Municipal Code, Chapter 13, can be found online at www.cityofmolalla.com in its entirety.

Tampering/Obstruction of Meter: Any tampering of or unauthorized access to the water meter is subject to additional fees and fines. As water meters are property of the City, City personnel must have access to meters at all times. Please contact the City should you need the water turned on or shut off at the main meter. Customers are NOT to turn on or off the water meter at any time. Often times there is a customer shut off valve on the property. The City does not know where the customer valve is located.

Payment options: The City accepts cash, check, money order & debit/credit cards. Payments can be made online by card or e-check at www.xpressbillpay.com, by phone at 1-866-399-8703, in person during business hours, by mail, or by depositing a check or money order in the drop box outside City Hall.

All charges for water and sewer service will be due and payable monthly on the date of mailing, and become delinquent on the sixteenth (16th) day thereafter.
